This Little Piggy	
Fish Sharing	

Note to Parents

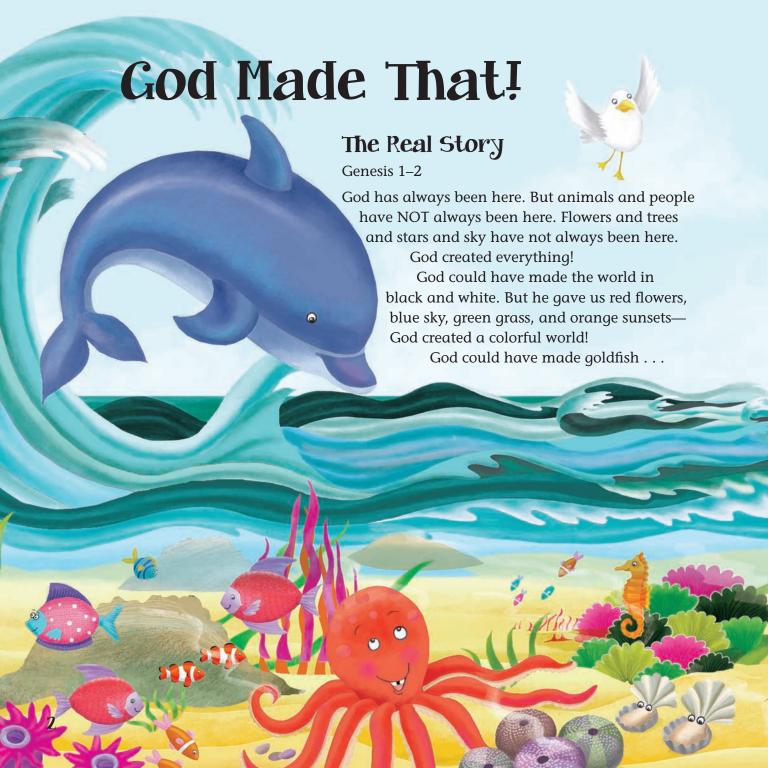

God could have stopped creating animals after giving us a few creatures for food. But our Creator didn't stop there. God made a wide variety of animals, from cute and cuddly to big and brave. And each carefully crafted critter can teach us about our Creator, about our world, and about ourselves.

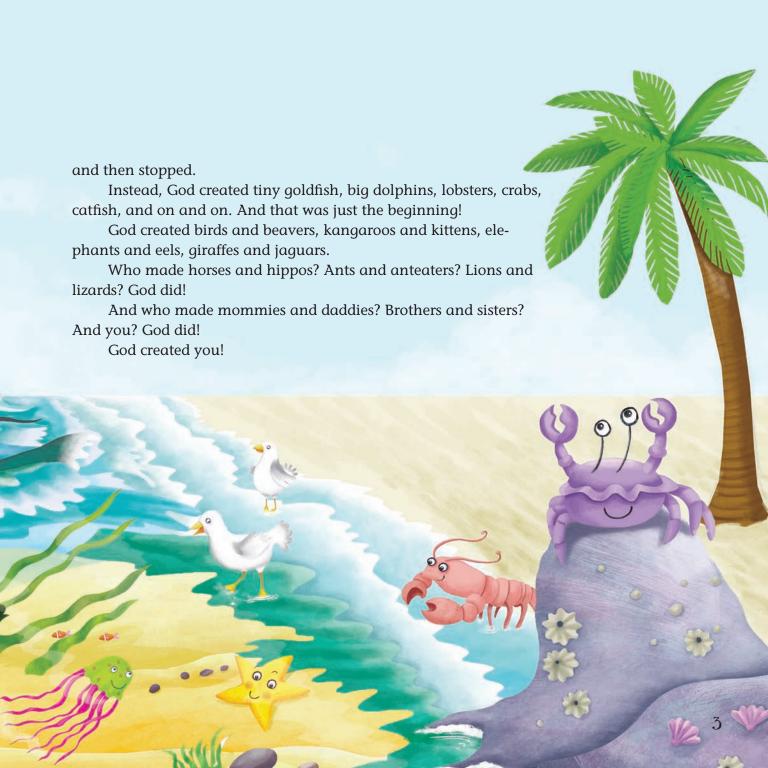

The Bible is filled with stories about animals, and these stories will engage your little ones while at the same time teaching them truths about God's character. In this book, each reading includes a retelling of a Bible story, a list of amazing facts about the animal, a section that helps kids apply what they've learned, a verse, and a prayer.

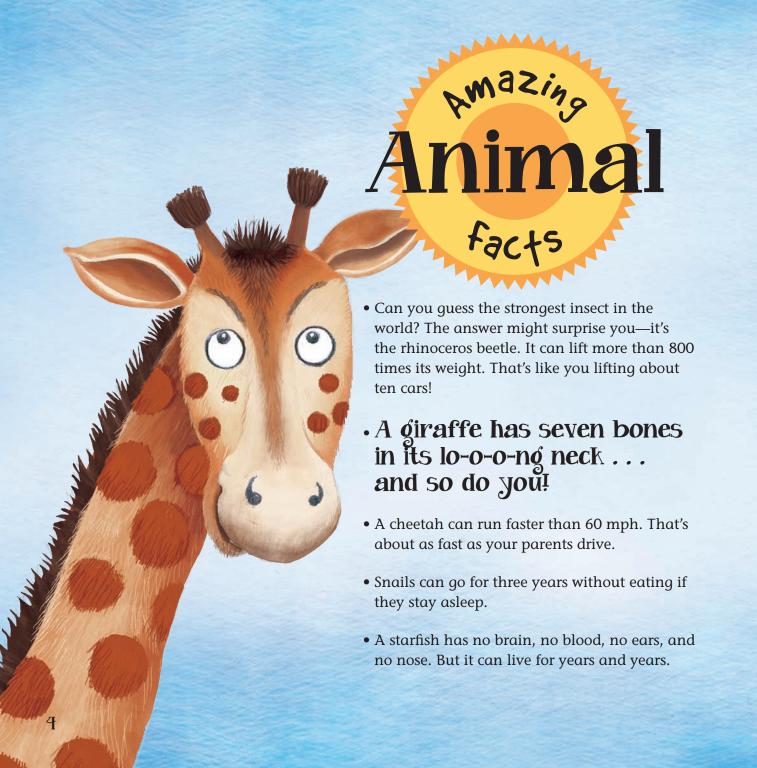

As you read these stories with your child, my hope is that both of you will grow in your understanding of and love for God. Have fun together on your animal adventure!

Dandi Daley Mackall

What It Means to Me

Why do you think God made so many different kinds of animals? (Take a guess!) God must love to make things. What things do you like to make?

God loves us so much that he wants us to enjoy the things he created.

Do you ever walk past a red bird or a funny squirrel or a honking goose and barely notice them? Pay attention!

When someone gives you a great gift, you say thank you, don't you? Thank God for fuzzy kittens, barking dogs, and even prickly porcupines.

God saved the best creation for last—people! People come in different shapes, sizes, and colors, too. God created YOU!

Verse

Let every created thing give praise to the LORD. Psalm 148:5

Talking to God

God, thank you for making all the animals. Please help me pay attention to what you've made. Amen.
